

SAFE GRAD

Background

The Division does not endorse nor does it involve itself in the planning of "safe grad" activities.

Procedures

1. No employees will be involved in planning or working at "safe grad" activities.
2. No Battle River School Division Facilities are to be used for "safe grad" activities.
3. The Division will not consider requests for the use of Board-owned school buses for the transport of participants to and/or from "safe grad" activities that may be planned by the students and/or parents of Division schools.
4. If contract operators who provide regular bus service to the Division choose to involve themselves in hiring out their services for the provision of school bus transportation for participants of "safe grad" activities, it is clearly understood that they do so without the endorsement of the Division.
 - 4.1 Contract operators who make the decision to so involve themselves do so completely on their own and totally independent from their association with the Division.
